

Lenten Studies

Timetable and Outline

St Peter's, Lent 2019

Date And Time	Facilitator	Theme	Lenten Material
Wednesday the 13 th of March 7.00pm	Amy	Temptation	In the first week we let ourselves enter the wilderness parts of our lives. To begin to look at the aspects of our lives and ourselves that feel chaotic or out of control and to see what interferes with our relationship with God.
Wednesday the 20 th of March 7.00pm	Ross	Repentance	In the second week we consider any obstructions found during the first week. You will choose one to clear away with a relevant Lenten practice. By initiating such a practice, you will begin to open yourself to God.
Wednesday the 27 th of March 7.00pm	Geneth	Forgiveness	During the third week of Lent, we will focus on our chosen practice and look for patterns developing in it. What truly brings you closer to God? This week will focus on when and how we do the work of clearing space for a garden.
Wednesday the 3 rd of April 7.00pm	Faye	Refreshment	The fourth week offers time to stop and observe the new growth appearing in our lives as a result of clearing space.
Wednesday the 10 th of April 7.00pm	Derm	The Cross (Passion Sunday)	The fifth week of Lent focuses on handling setbacks to practice. This week provides time to consider honestly the times we have faltered and to look for blessings hidden in each slip.
Wednesday the 17 th of April 7.00pm	Clergy Team	The Cross (Palm Sunday)	As Lent moves toward its close and we enjoy and openness that our Lenten practice has created, Holy Week invites God's consecration. Holy Week encourages us to experience our cleared space as holy ground and to attend more closely to the holy in our lives. It is also a time of keeping vigil and waiting for God's light to illuminate the space we have opened and prepared.
